Ancient Remedies for Modern Times

Welcome

Our wish is for you to live a long life with enduring strength and mental clarity, free from disease and suffering.

You’ve been granted a wonderfully complex body designed to heal itself and provide you pleasurable living. However stressful demands of contemporary life combined with the onslaught of toxins in your air, water, food, and personal care products are continual damaging your body and accelerating its aging.

By combining the wisdom of 5,000 year old Ayurveda with modern phytonutrient research and extraction processes, India Herbs is pleased to offer you a range of herbal supplements designed to counteract ongoing physiological damage and target common health concerns that are effectively treated by Ayurvedic Medicine. Our supplements contain the most potent extracts possible from botanicals whose healing properties have been proven over millenniums and whose phytonutrient activities have been confirmed by contemporary research.

While India Herbs supplements nourish your body with phytonutrients that are not normally available in your daily diet, our Ayurveda doctors will study your medical history and offer you customized lifestyle and diet guidance to help you realize and maintain optimal health. In addition, our health advisors will follow up with you on a regular basis to gauge your progress, answer questions, and offer additional lifestyle guidance.

We stand ready to be your health partner for a lifetime.

Welcome to our family and a lifetime of good health and happiness!

Your Partner- In- Health,

The Team at India Herbs

Every human being is the author of his own health or disease.  
- **Buddha**

It is health that is real wealth and not pieces of gold and silver.  
- **Mahatma Gandhi**
With proper diet and lifestyle, medicine is of no need.  
With improper diet and lifestyle, medicine is of no use.  - Ayurvedic Proverb

The effect of disasters should be thought of beforehand.  
It is not appropriate to start digging a well when the house is ablaze with fire.  
- Sanskrit Proverb

Each today, well-lived, makes yesterday a dream of happiness and each tomorrow a vision of hope. Look, therefore, to this one day, for it and it alone is life.  
- Sanskrit Proverb

To keep the body in good health is a duty, otherwise we shall not be able to keep our mind strong and clear.  - Buddha

As the food, so the mind; as the mind, so the man.  - Sanskrit Proverb
