Proprietary Formulations based on Ayurveda
**About Us**

**Vision**: We aim to be the market leader in Ayurveda based herbal supplements.

**Mission**: To satisfy the health needs of our customers through safe, well-researched, and effective products, using premium quality ingredients coupled with sound manufacturing practices.

**Our Company**: India Herbs has been established since 2002. We manufacture and market Ayurvedic Herbal supplements through online and retail channels. With offices in the United States, India and Singapore, and dedicated, well trained support staff, we are well positioned to support customers worldwide in an unparalleled manner with the following:

- Safe, well researched, effective formulations.
- Quality Production Standards in accordance with U.S. FDA and Singapore HSA regulations.
- Prompt Logistical Support.

Our wish is for you to live a long life with enduring strength and mental clarity, free from disease and suffering.

You’ve been granted a wonderfully complex body designed to heal itself and provide you pleasurable living. However, stressful demands of contemporary life combined with the onslaught of toxins in your air, water, food, and personal care products are continually damaging your body and accelerating its aging.

By combining the wisdom of 5,000 year old Ayurveda with modern phytonutrient research and extraction processes, India Herbs is pleased to offer you a range of herbal supplements designed to counteract ongoing physiological damage and target common health concerns that are effectively treated by Ayurvedic Medicine. Our supplements contain the most potent extracts possible from botanicals whose healing properties have been proven over millenniums and whose phytonutrient activities have been confirmed by contemporary research.

> Every human being is the author of his own health or disease.  
> - *Buddha*

> It is health that is real wealth and not pieces of gold and silver.  
> - *Mahatma Gandhi*
With proper diet and lifestyle, medicine is of no need.  
With improper diet and lifestyle, medicine is of no use.  - Ayurvedic Proverb

The effect of disasters should be thought of beforehand.  
It is not appropriate to start digging a well when the house is ablaze with fire.  
- Sanskrit Proverb

Each today, well-lived, makes yesterday a dream of happiness and each tomorrow a vision of hope. Look, therefore, to this one day, for it and it alone is life.  
- Sanskrit Proverb

To keep the body in good health is a duty, otherwise we shall not be able to keep our mind strong and clear.  - Buddha

As the food, so the mind; as the mind, so the man.  - Sanskrit Proverb
